
Adrian and Ziggy to be in Brainerd May 15

Luckily I am a member of the Brainerd Lakes Chamber. Adrian and Ziggy are coming to Brainerd for a luncheon and are going to donate to the Brainerd sports boosters. I already have my ticket. Great opportunity. If anyone in the area gets ahold of me I can get a ticket for the function. 11.00 and only 150 available first come first serve. Nice to see them getting involved in communities!!!

Yes it is! The donated money to an elementary school near me (Battle Lake) last year. They know that they have a fan base much larger than just the cities.
